

GROWING CHILD CARE. GROWING COMMUNITY.

Together, we're building a brighter future for Holdrege.

THE CHALLENGE

Holdrege is growing — and our child care system needs to grow with it.

The Child Care Gap

Families need more options for infant care and programs with extended hours that match real working schedules.

Workforce Expectations

Local businesses are expanding faster than the availability of high-quality child care. To retain talent, we must meet the needs of young families.

Provider Capacity

Child care providers work tirelessly but lack the financial resources to expand staff, extend hours, and enhance program quality.

The Opportunity

YOUR SUPPORT HELPS US BUILD A CHILD CARE NETWORK THAT GROWS WITH OUR COMMUNITY.

TOGETHER, WE CAN ...

- EXPAND PROVIDER CAPACITY
- STRENGTHEN PROGRAM QUALITY
- SUPPORT LOCAL WORKERS
- OFFER PRIORITY PLACEMENT FOR PARTNERING BUSINESSES

WITH STRONG LEADERSHIP AND SUSTAINABLE FUNDING, WE CAN CREATE A CHILD CARE SUSTAINABILITY SYSTEM THAT TRULY SERVES HOLDREGE FAMILIES AND EMPLOYERS.
